Please return this check sheet when placing your order to office@HAYMAC.org

If you cannot complete this form and wish to proceed with your best judgement used for ensuring the correct panel width and height, please be aware that if any fence panel will not fit between the existing fence posts or is the incorrect height you will not receive a refund for the installation of any panel which cannot be 'slipped-in'. Additional charges will be applied for exchanging fence panels for the correct height and width.
